

# Music Ministry April 2010

## Choirs Schedules

Be sure to visit your "Music at Emmaus" monthly calendar regularly. At the end of each month, I put the next month's calendar in each music family's church mail folder.

## Children's Choir

The Emmaus Children's Choir took a break during Lent and will be back after Easter! Watch for details!

## Thank you, Choirs!

The Lent and Easter seasons always bring extra musical opportunities for all of our musicians. Thank you to all who offered their time and talents! The **Adult Choir** shared their music at Lenten worship each Wednesday night. We used the Holden Evening Prayer liturgy. The **Jubilate Ringers** rang throughout the season culminating with Good Friday and Easter Sunday. They are also hard at work on their music for the upcoming concerts in the community during April, May, and June. The **Emmaus Ringers** have continued their rehearsals and the challenge of scheduling ringing in worship. The **New Songs of Joy Singers** continue their faithful singing leadership in 8:45 worship each week. While the **Emmaus Children's Choir** took a break during the Lent season, they will be back ready to sing in worship at the end of April. Our **Emmaus Road Singers** prepared their spring program and took it "on the road" during March to FLRC and Majestic Oaks.
